

ICOM 2017

29 July – 4 August, San Francisco, CA USA

INSTRUCTIONS FOR ORAL PRESENTERS

Preparation

Oral presenters are reminded to be in the room that they will speak no later than 30 minutes before the start of the session to meet with the session chair and load their slides on the presentation computers.

Computers

Computers will be available for presenting Microsoft PowerPoint® files. Personal computers may be used as well.

Projectors

A projector is available for presentations. All projectors are 16:9 format.

Laser Pointers and Remote Controls

A laser pointer and presentation remote control will be available in each session room.

Presentation Time

All presentations are 25 minutes in length. Please plan to give a 20 minute talk and leave 5 minutes for question and answer as well as the transition to the next speaker.
